

Information Channels

We at Eurex strive to make it as easy and convenient as possible for you to stay up-to-date in your daily work life with our customizable information services.

Circulars

Eurex publishes important announcements affecting your business processes via Circulars.

They are distributed via e-mail to announce new initiatives and legally binding items. You can select individually in which categories you subscribe to customize the service.

[Subscribe to Circulars](#)

Readiness Newsflashes

Newsflashes are distributed via e-mail to announce updates to initiatives like e.g. updated documentation, Readiness Statements or checklists.

If you subscribed to Circulars in one category you will automatically receive Readiness Newsflashes in the same category.

Eurex Support

The Eurex Support webpages are the central source to comprehensive and consolidated information about all releases, initiatives and projects to support your readiness activities.

The webpages are also your knowledge hub for inquiries to products and services.
